## A Shower and Changing Table from Pressalit

- Height adjustment range of 27.6" on all height adjustable models. Low starting at 11.8".
- Integrated pneumatic cylinders on manual fold models enable the table to be folded out of the way when not in use to maximize floor space in front of the unit.
- Provides flexibility to meet challenges for a wide variety of users.
- Is easy to clean, enabling good hygiene.
- Ensures optimal working conditions for family members, caregivers, and other personnel.
- Comes with a safety rail for maximum user safety.
- Can be adapted for a given room and specific user – choose the model in our range that best fits your needs. Provides peace of mind, comfort, and safety for users with physical and cognitive disabilities.
- Can be folded up when not in use.
- Makes the care situation dignified and comfortable for the user.
- OBC / code compliant.
